

2025 Cough, Cold, Preventative & Allergy Session

Education & EPPS Programs

ECRM's educational sessions provide EPPS attendees with the opportunity to learn from thought leaders and category experts on a variety of topics aimed at their professional development. These sessions include presentations, moderated panel discussions, special events, workshops, and roundtable discussions focused on category insights and trends, as well as hands-on workshops to help buyers and sellers enhance the effectiveness of their meetings during an EPPS.

NielsenIQ: State of the Industry: Cough, Cold & Allergy 2025 & Beyond

30 minutes

Join NIQ's Yvonne Buisson as she delivers an insightful update on the current season's developments in the cough, cold, preventative, and allergy categories. In this session, Yvonne will explore key market trends, consumer behaviors, and product innovations shaping these segments. She will also share predictions for the months ahead, focusing on emerging consumer health concerns and the evolving demand for preventative care and allergy management. This session will provide valuable takeaways for industry professionals looking to navigate the fast-changing landscape of seasonal and year-round health products.

Yvonne Buisson, Director, Health, Baby, Pet & Personal Care
